Dash Stowaway

Easy folding, easy opening, easy to carry, easy to store

The Dash Stowaway with its quality lightweight aluminium frame represents great value to prescribers, carers and users alike. Backed by a 12 month parts guarantee.

Designed with help and support of users and distributors across the UK and around the world, the Dash Stowaway sees RHealthcare deliver a fantastic, lightweight, addition to the range of Dash wheelchairs, offering unrivalled value for money combined with high aesthetics and a unique, two way folding mechanism for easy lifting and storage.

Ultra light and compact, the Dash Stowaway folding wheelchair allows the occupant to travel in style. Whether going on holiday, visiting the doctors, out for the day shopping or simply visiting friends, this highly adaptable, ultra compact, lightweight (only 12.3kgs) wheelchair is ideal for the occasional user both outdoors and indoors.

Easy folding, stores like a buggy unlike every other wheelchair meaning no more rear view restriction for car drivers, easily stores in the car boot or under the stairs. This chair is ready for use immediately as no parts need to be removed.
